Barber Motorsports Park is set within a perfectly manicured and sculpted landscape with heavily wooded surroundings. The 740 acre site houses the world-class 2.3 mile road course, which has been built to FIA standards. The facility is 45 feet wide with 16 turns and has 80 feet of elevation change. The paved paddock is tiered so that all competitors have the perfect view. The spectator has at least 80% total visibility of the on track action. Located within the city limits of Birmingham, AL, Barber Motorsports Park offers visitors all of the amenities associated with big city living - fine dining, shopping malls, ample lodging and premium hotels, night clubs and family entertainment. Barber Motorsports Park is also the home of the Barber Vintage Motorsport Museum which is the home of a collection of over 800 exotic motorcycles and various rare automobiles including the largest single collection of Lotus racing cars in the world. *Please note: This is a 3-day event.
