

REGULATIONS REGARDING "DRONE" USE AT VIR

Unmanned Aircraft Systems (UAS) – In accordance with FAA regulations, VIR does not permit the use of UAS for any type of commercial photography or videography at any time, on the facility. UAS may be requested for private use photography or videography during events. Information or requests for use are made through the VIR Marketing Department, no later than two weeks prior to the event to Amber Noya at 434-822-7700 ext 117. Approved operators must obey all policies pertaining to photographers when inside the track fence. UAS will use approved Landing Zones and fly between 100 and 400 feet AGL at all times during flight.
